# About us

The Sportkreis and the Sportkreisjugend would like to introduce themselves

Sportkreis Ludwigsburg e.V. – July 2018

Sport in Germany is one of the most popular pastimes and will stay a primeval need of humans. Sport helps the community as well as obtaining fitness goals. It also shapes and strengthens the awareness of fair play and tolerance, two key characteristics in sports.

The Sportkreis Ludwigsburg was founded in 1947 and unites underneath his umbrella the sport clubs of the districts in Ludwigsburg as well as some of the clubs in the district Enzkreis. Out of the 24 Sportkreisen in the Württembergischen Landessportbund, the Sportkreis in Ludwigsburg has the most members and clubs.

# The Sportkreis

# The preamble of the Sportkreis

Our main objective is to establish the Sportkreis Ludwigsburg as a competent and modern Sportkreis and provider for our clubs in all performances and all recreations.

Furthermore we see it as our duty to help the state, the communities, the media and business partners in the best way possible.

# The preamble of the Sportkreis

Sportkreis  
Ludwigsburg e.V.

Profund changes in our community, justified through the demographic and value changes, influence the long lasting status and future of our clubs and professional associations. At the beginning of the 21st century we face diverse challenges.

Challenges:

- Protection of the financial and material basics of the sport
- Helping the development of new offers in popular and recreational sport for people of all ages
- Education sector
- Integration and Inclusion

# The preamble of the Sportkreis

The Sportkreis Ludwigsburg wants to advertise for an attractive sport in the present and make room for it through innovative and creative ideas that will be newly developed.

We also want to integrate the members of our clubs and the athletes of our professional associations in the forward-thinking developing process.

The Sportkreis wants to promote a sense of unity.

# Structure of the Sportkreis

Sportkreis  
Ludwigsburg e.V.

# Together with us in the future

- We are a service provider and representative. We complete ourselves with the professional associations in the task fulfillment.
- We articulate the legitimate claims of the sport across the decision makers in the society, politics and administration.
- We firmly request all relevant institutions in the society to advance the support of the volunteer work with material reward.
- We demand the help from the federal government, the states and communes on the way to reinforced labour.

# Together with us in the future

Sportkreis  
Ludwigsburg e.V.

- We support members of our clubs and organs in their political commitment. Especially we encourage personalities of the sport for contribution in bodies of the politics on all levels. We are a merger of clubs and special associations.
- We encourage the collaboration for solidarity, democracy, equality, fairness, volunteering and civic commitment.
- We support as sportmen, in the interests of the Olympic idea, international meetings and friendships.

# Together with us in the future

- We campaign for international understandings and the drawdown of borders, especially in the grown together. Our athletes and officials are representatives and role models to the in- and outside.
- We support the integration of migrants and integrate disabled people in our clubs and special associations. Here we cooperate with public and communal sites plus other organisations.

# Our claim

## ➤ modern and success-oriented

The Sportkreistag and executive pretend the guidelines and the long-term goals. They give space to the chair for the implementation. The Sportkreistag, the directorate, the chair, the clubs and the professional associations shape their actions transparent and practice comprehensive public relations.

## ➤ Tolerance and open-mindedness

We take the tolerance of religious, ideologous or cultural differences for granted. We turn against any form of discrimination and empathicly we support all arrangements which campaign for a world of freedom and the pacific contact of humans.

## ➤ Protection

We protect children and adolescents in our clubs from excessive demands in sports, violence, substance abuse and unfairness. We always act after the code of honor from the Sportkreis and after the judicial frame conditions.

# Our claim

## ➤ Responsibility

Our regularity for the youth concede self-government and personal responsibility to the Sportkreisjugend. We support the adolescents and the representatives of their clubs that they can administrate their rights.

## ➤ Future

Flexibility and the willingness for reforms are requirements for a succesful future of our Sportkreis and its members. Also henceforward motivation and efficiency will be in the middle of the circle of our actions. We are comitted to the fact, that standstill is a regression for the development of quality and effort.

➤ We also respect the fact that the human and his need to make sports in a community always will be in the center of the work of the Sportkreis and its clubs.

# Office

Sportkreis  
Ludwigsburg e.V.

Informations – fast and effective

Counseling – individual and efficient

The Sportkreis Ludwigsburg considers the support with all relevant informations for his clubs and professionall associations for a succesful work as one of its importantest duties. But the information path is never an one-way street, because many informations, successful ideas and conceptions the Sportkreis Ludwigsburg gets from his members.

Informations – fast and effective  
Counseling – individual and efficient

Sportkreis  
Ludwigsburg e.V.

In the Sportkreis Ludwigsburg this information gets collected and concentrated and is passed to the clubs and associations from the Sportkreis Ludwigsburg. Everyone profits by this fact.

# Advanced trainings / Courses

Sportkreis  
Ludwigsburg e.V.

Staff from clubs and professional associations should have skills in personal, social, organizational questions and questions in sport to work successfully in their clubs or professional associations.

The work in advanced trainings from the Sportkreis Ludwigsburg therefore has to orientate on all essential skills, which are a requirement for the successful accomplishment of exigencies for the staff in clubs.

# Advanced trainings / Courses

The actionability is the initial and the aiming point of the work in the advanced trainings from the Sportkreis. Because of that we support a selective development for the staff in our clubs and professional associations. With this fact we do not only secure the future of our clubs and professional associations, but also the future of our Sportkreis.

# The Sportkreisjugend

The Sportkreisjugend achieves an important input for the development and the education of young people. The Sportkreisjugend in the Sportkreis Ludwigsburg is discrete and orientates itself on the leisure and contributes via the sport for the education for its members.

The most important audience of the Sportkreisjugend are the youth leaders and the youth workers in the clubs and professional associations.

We want to help them with words and deeds. We want to help them to solve their problems and support them to achieve a good youth work.

With service and consulting we want to stabilize our position in the Sportkreis. Within the meaning of a forward-looking orientation we also want to cope with the social and cultural changes.

# Active

Sportkreis  
Ludwigsburg e.V.

Adolescent search for contacts, conviviality, fun and act via the sport. The Sportkreisjugend, the clubs and the professional associations pick up these wishes and their offers be geared after these. Approach and behavior of the adolescents in the face of leisure time and activities in sport crucially did change in the last years, training and competition no longer are alone in the midpoint of interest.

# Social

Sportkreis  
Ludwigsburg e.V.

The Sportkreisjugend conscious contrasts with its work community and separation, which has become a significant characteristic of our society. Because of that for the members of the Sportkreisjugend it develops a social home. The Sportkreisjugend also assumes responsibility for non-members and engages in social fields of work like addiction prevention, youth protection, integrative and experiential education projects and sport with homeless and strangers.

# Together

Sportkreis  
Ludwigsburg e.V.

In sport clubs and sport associations adolescents and adults are active which committed and motivated take care for themselves ad others!

Especially the Sportkreisjugend wants to develop the adolescents and kids alternative possibilities for their recreation and theit active lifestyle and also to demonstrate them values like community spirit and assuming responsibility.

## Especially we want to...

- show which new trends are on the horizon,
- show how you can get grants and other financial supports
- reward the workers from your clubs with honors performed by us
- submit you an attractive offer for the rental of tents
- offer you attractive leisure activities for adolescents

# Leisure activities for kids and adolescents / Meetings

The meaning for leisure activities as an own pedagogical format will increase. These measures offer through the longer but limited change of location the chances for new social and cognitive experiences outside of the familiar surroundings. Kids and adolescents learn to become independent and be able to deal with the other participants.

# Leisure measures

## ➤ Measures

The Sportkreisjugend Ludwigsburg yearly offers the possibility for 750 kids to experience leisure activities on the Füllmenbacher Hof, Untersteinbach and in other countries.

# Leisure measures

## ➤ Supervisors

The supervisors get prepared from us on different weekend courses for the leisures. Almost every supervisor, which is in the team, was a participant in earlier times.

➔ The supervisors exclusively work voluntary and partial use parts of their annual leave if a special leave is not possible. They always respect the code of honour from the Sportkreis and the legal frameworks for the handling with kids and adolescents.

# Leisure activities on the Füllmenbacher Hof

The house of the Sportkreisjugend Ludwigsburg is located on one of the prettiest parts on the southern Stromberg. Since 1995 it is a natur reserve. The former forest workers stettlement consists of four houses, whereby the last house is the leisure facility of the Sportkreisjugend Ludwigsburg. The Füllmenbacher Hof is located in the forest between Zaiersweiher and Diefenbach. The valley which is surrounded from forest and meadows, is idyllically situated aside from traffic and everyday noises from big cities.

# Our leisure area Füllmenbacher Hof

The area includes: a big site for tents with attached ways and two houses with sanitary and kitchen facilities; a big catering tent directly on the house; a houseown pool 8x4 m; two sun terraces; a big campfire with a barbecue area; sandbox and two weatherproof table tennis tables; a big room for crafting and so on...

# Leisure activities in Untersteinbach

Honoured from the Württembergische Sportjugend for excellent youth work the Sportkreisjugend Ludwigsburg executes since 1959 these leisure activities.

For the vacations to Untersteinnach! Since decades this is the slogan for many kids and adolescents which know the vacation fun. It is irrelevant whether in the summer vacation or the Pentecost holidays: Action and pure leisure feeling are guaranteed.

# Leisure activities in Untersteinbach

With the new house construction arise new possibilities, because our house leisures defy every weather. House leisures can be experienced with about 40 people. At our tent leisures it says in the tent and barbecue at an big campfire and watch the stars. It is not important which weather it has, at our leisure activities in untersteinbach there is always fun and action.

# Our leisure area in Untersteinbach

The carrier of the leisure area in Untersteinbach is the Sportkreisjugend Ludwigsburg. During the summer holidays we can use the sports hall, the sports facilities and the open-air pool of the community.

# Our leisure area in Untersteinbach

The facilities of the leisure area are:

Plant with kitchen and tent for eating

- Sanitary facilities and showers
- Big area for tents with attached ways
- four tents from woods with a comfortable forecourtvier
- the „Monsterburg“ (general purpose building)
- an arena for crafting and cooking
- Two big playgrounds with volleyball courts
- Beach volley ball court, jungle gym, big trampolin, tents for plaing and tabletennis, table football, billiard, dart, many sports and games equipment for every weather

# International youth camps

Since years the Sportkreisjugend executes international youth camps. In the last years the focus was on the exchange with the districts which are partners with the district of Ludwigsburg.

Since the year 2000 a regular exchange insists with the district Pest (a partner district in Hungary)

In the year 2003 the first exchange with the district Chemnizer Land.

In the past there were also camps in Great Britain and Italy.
